European Union Evidence Based Medicine Unity

Education and Culture

Leonardo da Vinci

- Project funded by Leonardo da Vinci national agency - ECOTEC
- Duration: 24 months
- Funding: 396,434 euros
- Commenced: November 2005

Overall aim of the project

- The project aims to improve transparency across the European healthcare sector through the design, development, promotion and piloting of a European qualification in EBM for individuals with a medical or related degree.

Objectives

- Evaluate teaching methods of EBM in each country
- Map current medical training at foundation level 2 in each country
- Develop core curriculum and adapt to each country
- Pilot and evaluate the EBM course in each country
- Accredite the course in each country
- Project website being developed **[www. ebm-unity.org](http://www.ebm-unity.org)**
- Further grant applications for dissemination and evaluation of the courses developed

Partners

- Seven partners:
 - The University Of Birmingham/ Birmingham Women's Hospital
 - Aquamed – Germany/Austria
 - Universita Calolica del Sacro Cuore - Italy
 - Centre Reproductive Medicie - Amsterdam
 - CASPin – University of Birmingham
 - CASP Poland
 - CASPe Spain
 - CASP Hungary
 - Switzerland
- Steering Committee – Chair: Paul Glasziou

EBM Team

- Julie Hadley
(Project manager)
- Khalid Khan
(Professor of obstetrics, gynaecology and clinical epidemiology)

- Mary Publicover (information specialist)
- James Davis (Research fellow)
- Denise Hardy (Administrator)
- *Educational fellow (to be appointed)*

- **Collaborations**
- **Public Health: Amanda Burls, Catherine Meads, Chris Hyde**
- **Deanery: David Wall, Veronica Wilkie**
- **CEBM - Paul Glasziou**
- **GIMBE® - Nino Cartabellotta**

Expected Outcomes

- To develop a integrated European qualification in EBM
- To improve the relevance and quality of medical training in Europe
- To enable doctors to easily integrate into the healthcare systems of other member states
- To improve mobility and effectiveness of doctors throughout Europe
- To improve care of European patients

Role of **GIMBE®**

- **GIMBE®** National Conferences
- **GIMBE®** EBHC International Library
- Nino Cartabellotta – Steering Committee Member
